

ARTIST BRIEF

WEAR ON

OLD IS GOOD AS GOLD

VANS

THE CAMPAIGN

This campaign is not only about Vans. It's bigger than the brand itself.

We know:

shoes are meant to be worn, trashed even.

We also know:

Skaters/Surfers/BMXers wear their sneakers until they can't no more.

Therefore, we aim at creating a movement: **WEAR ON – 'OLD' IS GOOD AS GOLD!**

THE MOVEMENT OF:

- continuous responsibility
- a powerful message to keep pushing forward
- focusing on being better instead of striving for 'perfect
- an encouragement to be your own trend, instead of following them

WEAR ON

THE MOVEMENT

THE AIM

Bring the WEAR ON purpose to life:

→ create an art installation that reflects your relation to the WEAR ON MOVEMENT and how you interact with belongings that have become "old" or "worn out"

→ use recycled materials: clothes, shoes (vans or other), trash, "old" works of yours

→ can be an artwork of your own or a collaborative piece

→ can be an artwork created in advance or a live creation made directly in the store.
